

Addendum to Thesis

Please note that the *Change and Continuity* dating results presented within this thesis (Section 7.1) were updated following thesis examination and completion. In particular, the following three tables (and associated discussions) are inaccurate:

Table 7.1 AMS 14C radiocarbon dating results (after Fallon *et al.* 2010)

Table 7.2 AMS 14C radiocarbon dating results (after Fink *et al.* 2004)

Table 7.3 OSL dating of quartz grains from mud wasp nests in Brremangurey, Upper Lawley and Lower Mitchell Falls, northern Kimberley: dose rate data, equivalent doses, and ages (after Ross *et al.* *in prep.*)

Please refer to the following publication for the correct *Change and Continuity* dating results:

- Ross, J., K. Westaway, M. Travers, M.J. Morwood and J. Hayward 2016
Into the Past: A Step Towards a Robust Kimberley Rock Art Chronology.
PLoS ONE 11(8): e0161726

This publication is available at the following permanent link:
