Signature

A thesis submitted in partial fulfilment of the requirements of the degree of Master of Music with Honours of the University of New England (Armidale, Australia), December 1996.

Acknowledgments:

I would like to thank Emeritus Professor Rod Treyvaud for his advice and encouragement, as well as my supervisors Mr Claudio Pompili and Associate Professor Michael Hannan, Professor Leon Cantrell and Ms Felicity Horgan for their support and help and Diane for her initial WP efforts which got me on the way. I gratefully extend my thanks to the composers and performers interviewed for their time and input and especially the co-operation of Michael Askill, Colin Piper, Rebecca Lagos and Ian Cleworth.
